Federal Communications Commission  
Office of the Secretary

**REPLY OF EMERSON COLLEGE TO RESPONSE  
OF CONCORD-CARLISLE REGIONAL SCHOOL DISTRICT**

Emerson College, the licensee of noncommercial educational FM broadcast station WERS, Boston, Massachusetts ("Emerson" or "WERS"), by its attorneys, hereby replies to the response of Concord-Carlisle Regional School District filed on April 9, 1992 to Emerson's comments on the pending application to modify the construction permit of noncommercial educational FM broadcast station WIQH, Concord, Massachusetts ("WIQH").

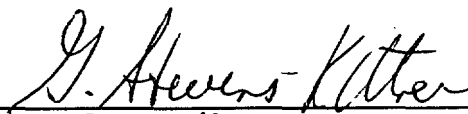

Emerson's Comments requested that WIQH take certain steps to resolve complaints from listeners of WERS who might experience interference to their receipt of WERS's signal if and when such complaints arise. Emerson's Comments sought the voluntary cooperation of WIQH in this regard. WIQH has rejected Emerson's overtures.

Emerson's Comments were filed in the spirit of cooperation to facilitate, rather than forestall, a prompt grant of WIQH's application. In the absence of WIQH's cooperation, Emerson will

simply expect WIQH to fulfill its responsibilities under the Commission's rules, if and when its application is granted.

Respectfully submitted,

EMERSON COLLEGE
